SUPPLEMENTAL AMENDMENT

Responsive to the telephone interview held
February 17, 2004, between Examiner Li and Applicants'
representative, consideration of the following amendments and
remarks is respectfully requested.

Applicants' representative and Examiner Li discussed
the wording of several claims, including the phrase "one or more
candidate compounds," as recited in claims 3, 9, 14 and 19.
Also discussed was adding a new step (b) to these claims.
Further in regard to claims 3, 9, 14 and 19, the Examiner
suggested replacing the phrase "under conditions wherein said
receptor" with "under conditions that permit said receptor."
Applicants believe that the following amendments and new claims
are consistent with the Examiner's suggestions regarding
language of the pending claims.
